

## Our People

### Giuseppe Albi

Exhibition & Exhibit Consultant  
Strategic/creative event planning. Exhibit themes/production

#### Expertise:

- Creative & Strategic Event Planning
- Conceptual Design
- Exhibit Theme Development
- Exhibition Production
- Fabrication and Production Coordination
- Decoration Design
- Exhibit Layout Design (CAD)
- Lecture Series Coordination

#### Profile:

Before joining Activation Analysis Group Inc., Giuseppe worked at Edmonton Northlands for 19 years as the resident exhibit designer. Since then, he has worked for the Edmonton Klondike Days' Association as the Event Planner for Sunday in the City. He has coordinating the Art of CAD Exhibit for the Works International Arts Festival for five years.

Earlier, he served as Chairman of the Alberta Art Foundation and was a member of the Edmonton Art Gallery Board. He is currently on the Urban Design Review Panel for the Downtown Business Association.

His first project for Activation Analysis Group Inc. was in 1999 as designer for Cheers Food and Beverage Exhibit in the Northlands AgriCom Halls A & B. He is currently coordinating program displays and promotional material for the Alberta Tire Recycling Management Assoc. (TRMA), a long-standing client of Activation Analysis Group.

With this diverse experience in cultural events, Giuseppe is offers his clients a resource base that is as exciting and innovative as it is practical.
